Policies, Procedures, and SMPL Release

- **Current shot records are required for socialized play registration and participation.** You must either call us with your veterinary information ahead of time so we can verify immunization records or bring the veterinary records with you at check-in.
- **No aggressive dogs.** For safety purposes, we reserve the right to excuse any dog that exhibits aggressive behavior. Dogs will be removed from the socialized playgroup upon the first sign of aggression.
- **Socialized play fees are NON-REFUNDABLE** once the scheduled day you have registered for has begun. Fees will not be refunded if your dog has to be separated from the group during the day due to unruly behavior, they will instead be put into an available suite for the day and be transferred to our individualized day-lodging plan.
- An assessment test and Socialized Play Application must be completed before a dog is allowed to join the socialized play group.
- Sick dogs are not permitted. If any dog appears to be ill of health, they will not be permitted into the socialized playgroup. Also, female dogs in heat and unaltered males will not be permitted.
